E-LEARNING

Greater Clark County Schools will provide students with the opportunity to educationally engage outside of the traditional school setting through the implementation of eLearning days. The use of eLearning days will enhance the district's ongoing 1:1 computer initiative by providing students with instruction during school cancellations and preplanned professional development days. The Indiana Department of Education encourages school districts to hold eLearning days as an opportunity for students to continue their lessons through technology initiatives.

eLearning utilizes electronic technologies to access curriculum outside of the traditional classroom. Greater Clark County Schools believes that continuity of instruction in the event of the loss of an instructional day, due to weather or other circumstances, is a critical component to our students' success. Therefore, our schools will provide the opportunity for students to interact with their teachers through the use of personal devices, Google Classroom, Google Meet sessions, email and other electronic digital media to ensure uninterrupted instruction.

eLearning days come in two forms: asynchronous and synchronous.

Asynchronous eLearning Days:

- All assigned work and lessons will be communicated through Google Classroom.
- Assigned work will align to the district sequencing guides.
- Students will work at their own pace to complete the assigned work.
- Some teachers may still deliver face to screen instruction via Google Meet or pre-recorded video opportunities.
- Attendance will be taken via a Google Form on asynchronous eLearning days.

Synchronous eLearning Days:

- All assigned work and lessons will be communicated through Google Classroom.
- The lessons and assigned work will align to the district sequencing guides and students will remain on pace with their GCCS classroom.
- Students will be expected to interact with their teachers according to their school's published schedule.
- Attendance will be taken during the scheduled teacher interaction time. If students are not in attendance during the scheduled time, the student will be marked absent but still expected to complete the work.

More information regarding eLearning days can be found on the Greater Clark County Schools website.

BUS REGULATIONS

Riding the school bus is a privilege. Improper conduct at the bus stop or on the buses may result in that privilege being denied. Only regularly scheduled bus students are to ride the school buses.

While on the bus, students should keep hands and head inside the bus at all times. Horseplay is not permitted around or on the school bus. Bus riders are not permitted to leave their seats while the bus is in motion. Students who are transported to school are NOT permitted to leave the school property once they get off the bus.

Misconduct reports from bus drivers may result in a student being denied bus-riding privileges from one to five days (or longer, depending upon the number of bus conduct reports a student acquires).

Riding a Different Bus: Stop locations may change periodically based on the student population, demographics and physical conditions of the area served. Students must ride on their assigned bus, to their

assigned stop. All stop locations are determined by the transportation department. Students are prohibited from riding to (or from) another student's home/ bus stop. Parents must make alternative arrangements for transportation if an emergency arises.

Transportation Guidelines and Procedures:

1. Transportation eligibility is determined by a student's home address.
2. GCCS does not allow alternating addresses during the week. Students are allowed one pick up location and one drop off location every day. In other words, the morning address and the afternoon address can be different, but both addresses must be within the assigned school boundary and must be consistent each day.
3. Pre-school and special education students must have a designated, responsible greeter at the stop when the bus arrives to drop off. If the greeter is not at the stop when the bus arrives, the child will be taken back to the school or to the nearest police department as a safe haven. Repeated failure to greet students at the stop may result in the loss of transportation. **Note: all other students, Kindergarten to 12th grade, will be dropped at their stop; it is the responsibility of the parent/guardian to decide if they need to greet their child(ren).**
4. Students must ride on their assigned bus, to their assigned stop. All stops are assigned by the Director of Transportation or designee. Bus drivers are not authorized to assign or change bus stops. **Students are prohibited from riding to (or from) another student's home/ bus stop. Parents must make alternative arrangements for transportation if an emergency arises.**
5. For safety reasons, **students must be at their assigned stop location five (5) minutes before** the scheduled pickup time.
6. Non-students, including parents, are not permitted on a school bus without explicit consent from a school official. Entering without permission constitutes criminal trespass, a Level 6 Felony. (I.C. 35-43-2-2).
7. Bus stop change requests or new students should be directed to the transportation office by using the GCCS website: <https://www.gccschools.com/home/our-district/departments/transportation/>. For new or changed assignments, an online transportation form must be filled out and the transportation request may take up to 3 school days.
8. For those eligible, all bus stops shall be within .3 mile of a student's home for elementary and middle school students and .4 mile for high school students.
9. If you reside in a No Transportation Zone (NTZ), GCCS will not provide transportation. If you reside in a Limited Transportation Zone (LTZ), GCCS will provided limited pick up points.

STUDENT DISCIPLINE

Charlestown Middle School teachers, counselors, and administrators promote a school environment that supports and encourages good student behavior. A wide variety of strategies is utilized to help each individual student become successful in school. Some example strategies are: positive rewards, parental contacts, time-outs, lunch detentions, counseling sessions, check sheets, restricted privileges, in-school suspension, after-school detention, participation points, out-of-school suspension, etc.

These strategies are implemented to help develop each child into a student that has self-discipline and positive self-esteem. An integral part of a middle school child's success, behaviorally and academically, is parental involvement. Discipline strategies will almost always be more effective with the involvement and support of parents. Parents will be notified of behavioral problems. If CMS staff and parents work together, students will have a better chance of succeeding.

The following are the six school rules of Charlestown Middle School:

1. Follow directions the first time given.
2. Speak appropriately and respectfully to everyone.
3. Be in assigned area.
4. Respect property.
5. Keep hands, feet, and objects to yourself.
6. Always be prepared with required materials.

The CMS Expectations for Students are as follows:

1. Students are expected to dress appropriately and follow GCCS Dress Code.
2. Students are expected to bring required materials to class every period of every day.
3. Students are expected to refrain from Public Displays of Affection while at school and school functions.
4. Students are expected to remain in class every period of every day.
5. Students are expected to be on time to class every period of every day.

Students may be suspended and/or recommended for expulsion from CMS for the following behavior(s):

1. Using violence towards a person.
2. Using profanity/abusive language.
3. Using, possessing and/or transmitting drugs, alcohol or substances said to be drugs or alcohol on school property or at any school function.

INFRACTION PLAN

Charlestown Middle School uses a school-wide infraction system and behavior matrix. The purpose of the infraction system is to re-teach expectations. The process for CMS infraction as seen below is based on infractions per class period.

1st - Warning by teacher and reteach desired behavior

2nd – Teacher Contacts Parent and reteach desired behavior

3rd – Counselor Referral and Parent Contact

4th and beyond – Meet with Administration or Dean– Progressive Discipline Consequence given

LUNCH DETENTION

Lunch detention meets daily and serves as a consequence for many minor student discipline issues. Students are expected to get their lunch and report to the lunch detention room for the entire lunch. While in lunch detention, students are expected to sit in their assigned seat, remain silent, and not be disruptive in any way.

AFTER-SCHOOL DETENTION

After-school detention (ASD) meets one day a week: 3:10 to 4:15 p.m. While in detention, students are expected to work on school assignments or read. Failure to attend an assigned after-school detention or cooperate with the adult supervisor will result in the assignment of further disciplinary consequences. Parents must provide transportation and must pick up their child promptly at 4:15 p.m.

FRIDAY EVENING SCHOOL

Friday Evening School (FES) meets approximately twice per month from 3:00 to 6:00pm. While in FES, students are expected to work on school assignments or read. If a student arrives without any schoolwork, he or she will be assigned to community service within the school. Failure to attend an assigned FES or cooperate with the adult supervisor will result in the assignment of further disciplinary consequences. Parents must provide transportation and must pick up their child promptly at 6:00 p.m.

IN-SCHOOL SUSPENSION (ISS)

In-School Suspension (ISS) is designed to serve as an alternative to out-of- school suspension for discipline, attendance, or tardy problems. Students assigned to ISS will attend school and will be required to remain in a specific room/area for the entire school day. Students may be assigned to ISS for a period of 1-5 days.

Students will be required to work on classroom assignments and any other assignments given by the ISS instructor. Failure to follow rules set forth by Charlestown Middle School and ISS instructor could result in Out of School Suspension.

OUT OF SCHOOL SUSPENSION (OSS)

Out of School Suspension (OSS) will be used for serious violations of the student discipline policy; students are prohibited to be on school property during the suspension period. The student will be counted absent from school, but the days will not be counted toward his/her total excessive absences mentioned earlier in the handbook.

If a student is suspended, the student is required to complete all assignments and school work assigned during the period of the student's suspension. The principal or the principal's designee shall ensure that the student receives notice of any assignments or school work due and teacher contact information in the event that the student has questions regarding the assignments or schoolwork. The student shall be allowed to make up missed tests or quizzes when the student returns to school.

CHEATING/PLAGIARISM

The first time a student is involved in cheating/plagiarism he/she will be warned, the parent notified, and a grade of zero will be given on the assignment. The student will also be assigned a disciplinary consequence. Repeated instances will result in an office referral and progressive discipline.

DRUGS, TOBACCO, ALCOHOL

The Board of School Trustees promotes drug and smoke-free schools for all students. Considering the health dangers involved and other negative consequences of tobacco, alcohol and other drug use, our school system promotes enforcement of drug-free policies.

While it is clear that most youth do not use drugs, a policy is necessary for the students who do. It is also acknowledged that students who are using or abusing alcohol, tobacco, or other drugs may need professional assistance to become drug free. Consequently, this policy will afford them the opportunity for voluntary enrollment in a program designed to help them become alcohol, drug, and/or tobacco free.

ALCOHOL OR OTHER DRUGS

RULES

- A. If a student possesses, handles, transmits or is under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind (including look-alikes) on school property or at a school function, he or she will be suspended for no fewer than five days OSS, the student will be arrested and the process for expelling that student will begin.
- B. Students who opt for the assessment/education program as an alternative to expulsion are eligible to receive an expulsion waiver to return to classes after the five days of out-of-school suspension.
- C. Students who TRANSMIT drugs or alcohol IN ANY MANNER to someone else will be immediately suspended, the student will be arrested, and processed for expulsion. Also, a student who transmits material, which he/she expressly or implicitly represents to be a controlled substance, will be immediately suspended and processed for expulsion. Any adult employee of the school corporation who observes or who has reasonable suspicion that a student may be transmitting, possessing, using or under the influence of drugs or alcohol should convey that information to his/her immediate supervisor or the person in charge of the school function, whichever is appropriate.

TOBACCO

The Board of School Trustees endeavors to aid students in understanding the health dangers involved in tobacco usage and the effect that it has on others (non-smokers.) In addition, the Board of School Trustees recognizes that any student under the age of twenty-one (21) who has violated the Greater Clark County

Schools tobacco policy has also violated the Indiana tobacco possession law (IC 35-46-1-10.5). Students found possessing or utilizing tobacco products will be afforded the opportunity of voluntary enrollment in a tobacco education program, which is designed to help people deal with their tobacco usage. E-Cigarettes will be considered in the same manner as tobacco.

For the purposes of this policy, "tobacco" is defined to include any lighted or unlighted cigarette, electronic cigarette (or e-cigarette), electronic vaping device, personal vaporizer (PV), electronic nicotine delivery system (ENDS), cigar, pipe, bidi, clove cigarette, and any other smoking product, and spit tobacco, also known as smokeless, dip, chew and snuff, in any form or any other matter or substance that contains tobacco.

Possessing or Using Tobacco Products

The following steps will be adhered to when processing tobacco violations:

- The first offense results in a 3 day out of school suspension. School Resource Officer may be involved.
- The second offense results in a 5 day out of school suspension. School Resource Officer may be involved.
- The third offense results in suspension with a recommendation for expulsion.

*Tobacco offenses will not be cumulative over the course of the student's elementary and middle school enrollment. Elementary and middle school students will be afforded the first, second and third offense procedures each school year.

Occasionally the Charlestown Police Department will bring in drug dogs to do locker searches. As part of this program, the police officers educate the students on drug dog awareness and searching techniques.

WEAPONS AT SCHOOL

Effective Schools Research indicates that teaching and learning occur at high levels in a safe and orderly environment. Any student who knowingly possesses, uses, and/or transmits a weapon in any of the following described locations constitutes an interference with educational functions and/or school purposes. Furthermore, using a weapon in any way, on or off school property, that constitutes a violation of the law of the State of Indiana, where such use causes an interference with school purposes or educational functions will not be tolerated.

If the weapon incident could constitute a violation of Indiana and/or federal law, the weapon will be turned over to authorities. The owner of the weapon may claim it from the police or sheriff under whatever rules are applicable. If there is no violation of law, the weapon will be retained by school authorities until a final disposition of the case.

Any parent, guardian, or patron who uses obscenities or speaks in a demanding, loud, insulting and/or demeaning manner will be politely asked by the person to whom the remarks or directed or who overhears the remarks being made to communicate in a courteous manner. If corrective action is not taken by the abusing party, the meeting or telephone conference will terminate. If the meeting occurs on school district property, the offending person will be directed to leave the property.
3. Any parent, guardian, or patron who intentionally displays force that would give victims reason to fear or expect immediate bodily harm will be instructed to leave the school district's premises or event and shall be immediately reported to the appropriate legal authorities.
4. If an individual refuses to leave upon request, the appropriate law enforcement officials will be notified. An Incident Report should be completed for the situations set forth in paragraphs 1, 2 and 3.
5. If behavior of the type identified in paragraphs 1, 2, and/or 3 is exhibited by employees and/or volunteers, discipline will be handled in accordance with the Discipline and Dismissal of Classified Staff Policy (4150) or Discipline and Dismissal of Certified Staff Policy (3139), as applicable.
6. If behavior as identified in paragraphs 1, 2 and/or 3 is exhibited by students, discipline will be handled in accordance with Policy 5500/5600/Student Discipline.

COMPLAINT PROCEDURES

1. Any employee, volunteer or student making an allegation that he/she has been the subject of harassment/bullying may use the complaint procedure explained below or may complain directly to his or her immediate supervisor, building principal, or Title IX Complaint Designee for the school corporation. Filing of a complaint or otherwise reporting harassment/bullying will not reflect upon the individual's status nor will it affect future employment, grades or work assignments.
2. Any non-employee/patron making an allegation that he/she has been the subject of harassment/bullying may also use the complaint procedure explained below or may complain directly to a building administrator, the Superintendent or designee.
3. The right of confidentiality, both of the complainant and of the accused, will be respected consistent with the school corporation's legal obligations and the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred. All documents related to such reports or investigations will be kept in a separate file and will not become part of any regular personnel file or student education record. However, any official disciplinary actions by the Superintendent, designee, or the Board will become a part of any regular personnel file or student education record.

REPORTING HARASSMENT/BULLYING

All reports of harassment/bullying shall be handled in the following manner:

7. The Board of School Trustees may consider the report and the superintendent's recommendation in executive session. The Board may take any action it deems appropriate with consideration of such due process rights as may apply. The alleged victim's name will not be released to the public unless required by law. The Board of School Trustee's action will be considered final in this matter.

SANCTIONS FOR MISCONDUCT

EDUCATIONAL OPPORTUNITIES AND NOTIFICATION OF THIS POLICY

1. *For employees:* Notice of this policy will be circulated and posted in all buildings and work sites for the Greater Clark County School Corporation.
2. *For Students and Parents:* Notice of this policy will be included as part of the Student's Rights and Responsibility and Due Process Handbook.

STUDENT BULLYING/HARASSMENT POLICY

Bullying and Harassment (student to student):

Upon the first reported issue, a school counselor will document the incident. At that time, counselor will meet with the reporting student (victim) and decide if the reporting student will attempt to resolve conflict on their own, or put the other student(s) on "notice" to end bullying or harassment behavior. The reporting student can choose to confront the accused in a counselor led session if so desired. Administration will be notified depending on the severity of the issue. Upon second incident, a school counselor will refer the students involved to administration. The administrator will call home and assign consequences if counselor has already warned the student(s) involved to end reported behavior. Upon third incident, administrator will assign progressive consequences. If a situation moves to a fourth incident, progressive consequences will be assigned, the school will hold a parent meeting and formal paperwork may be filed.

STUDENT ATTENDANCE

Daily attendance of all students who are enrolled in the Greater Clark County Schools is required in accordance with state law and corporation policy. Students are expected to attend school regularly in order to derive maximum benefits from the instructional program. The responsibility for regular school attendance by a student rests with the student and his/her parent or legal guardian.

In an effort to meet one of the Other Indicators for Annual Yearly Progress students must maintain a ninety-five percent (95%) attendance rate. Students who fail to meet these criteria are subject to the disciplinary procedures.

When absenteeism noticeably affects a student's academic or personal success, and/or is in violation of either state law or school board policy, school personnel shall take such action as is deemed appropriate, including but not limited to the following: counsel with students and parents; require written statements from parents or guardians documenting the need/reason for the absence; meet with probation officer; assign in-school suspension, out-of-school suspension and/or detention after school hours; recommend expulsion; or, initiate legal proceedings against students and parents.

A parent/guardian must notify the school if the student is going to be absent, tardy, or will be leaving school early for an appointment. Parents are expected to call the school on the day of absence by 9:00 a.m. (one call for an extended absence is sufficient). A message may be left by calling 256-6363 and ask for the attendance secretary or after hours leave a voice message on extension 12140. Parents unable to call on the day of the absence **MUST** call the school the next school day. If a call is not made to verify the absence the next school day, the absence will be considered an **unexcused absence**.

ABSENTEEISM CONSEQUENCES

School personnel will make reasonable attempts to notify parents when an absence has not been verified within the allotted time; however the law is clear; it is the parent's responsibility to notify the school of student absences.

Action required for excessive absences:

- When a student has been absent (unexcused) a total of five (5) days in a school year, the principal or his/her designee, as a matter of concern, shall contact the parent.
- When a student has been absent (unexcused) a total of fifteen (15) days in a school year, the principal or his/her designee will send the first legal notice.
- When a student has been absent (unexcused) a total of twenty-five (25) days in a school year, the principal or his/her designee will send the second legal notice, the Administrator completes a "Truancy Affidavit," and will refer student to truancy advocate.

An undocumented absence is defined as an absence without a written verification from a medical or legal provider.

Excused Absences

Children are expected to attend school each and every day. Charlestown Middle School recognizes excused student absences for the following reasons, when such an absence is verified by parent, guardian, physician, or other responsible agency:

- Personal illness that involves fever, vomiting, diarrhea, accidents, injuries, or other illnesses that is communicated to the school by parent or guardian in writing or by phone (no more than 5 occurrences)
- Medical or dental appointments with documentation that cannot be scheduled outside the school day.
- Death of immediate family member or other relative.
- Religious observances. Advance notification of the principal or his designee by parent/guardian and a church official is required for approval.
- Other highly extenuating circumstances that will be determined by the principal in advance of the absence.
- Service as a page in the Indiana General Assembly.

Additional Attendance Information

Absence Limitation

Middle School students must maintain an annual attendance rate of 95%. To achieve this rate, students must be present 171 out of 180 days.

Appointments

Parents are encouraged to set up appointments so the students will not miss any part of the school day. If a student comes to school late, or leaves early for an appointment, a signed note should be given to the attendance secretary to document the absence.

Arriving or leaving during school hours

It is sometimes necessary that students arrive late or leave early during the school day. When students arrive late or leave early, they must report to the office. Students who arrive late must go to the main office and sign in. Students are not to leave the building during the school day without being signed out at the main office by a parent, legal guardian, or an adult designated by the parent to school personnel. A student will be assigned a half-day absence if he/she arrives to school after 11:45 a.m. or signs out before 11:45 a.m. and does not return.

Late arrivals/sign-ins

First period begins at 8:25a.m. If a student is more than 5 minutes late to first period, or enters school any time after 8:30 a.m., it is considered a late arrival and the student is required to sign-in. Habitual late arrivals/sign-ins will result in school consequences.

Legal Settlement

If a student's legal settlement changes within the school corporation's boundaries during the semester, he/she may, at the election of the parent, complete the semester or at the discretion of the school, the entire school year.

Sick at Home

- **Fever:** Return when fever free for 24 hours (without requiring the use of fever reducing medications)
- **Diarrhea and/or vomiting:** Return 24 hours from last episode of vomiting/diarrhea
- **Pink eye or other bacterial infection:** Return 24 hours after start of antibiotics
- **Other:** If you are unsure if your child has an illness that may be contagious to others, please reach out to their healthcare provider for return to school guidance.

Student Make Up Work

1. The student upon returning to class must initiate the request for make-up work. If an absence is known in advance, the student is encouraged to complete the work before the absence.
2. In general, one make-up day for each day absent is the designated time allotted to get work caught up. If an assignment or graded activity was announced before the absence, the student is still responsible for the work due upon the date of the student's return to school. Extended illness and other extenuating circumstances shall be handled on an individual basis by the principal or principal's designee.
3. In the case of out-of-school suspension, the student, once he/she returns, will be given the number of school days the suspension was assigned to make up work missed. It is the student's responsibility to solicit make up work from his/her teacher(s).

Tardy to Class

It is expected that students arrive to class on time. Multiple tardies will result in school consequences.

Tardy to Class: First Period

If a student is less than 5 minutes late to first period class, it is considered a classroom tardy and progressive consequences as outlined above will be followed. If a student is more than 5 minutes late for first period, it is considered a late arrival/sign-in and progressive late arrival/sign-in consequences will be followed, as outlined below.

Transfers within GCCS schools

Any parent desiring to transfer his/her child to a school within the district may do so by requesting said transfer in writing to the home school principal. The request will be granted if both principals agree to the transfer, if there is room in the receiving school and if the available program does not have to be changed or modified to accommodate the child. If either principal disapproves the transfer, the parent can appeal to the Superintendent. Transfer request forms are available in the Greater Clark County Schools Principals' Handbook. Transportation must be provided by the guardian. Transfer privileges may be revoked due to poor attendance and/or behavior concerns.

Truancy

Truancy is defined as absence from school, class, or assigned activity without the permission of parent/legal guardian or principal/designee. A student will also be considered truant if he/she leaves a class, a school sponsored activity and/or the school without the proper permission of school authorities. In dealing with truancy, the term "instance of truancy" shall be used. This term defines a period of truancy that may vary in length. For example, two consecutive days could be an "instance of truancy." Being truant will result in school consequences.

Vacations

Parents are discouraged from taking students out of school for vacations. Please try to arrange vacations around the school schedule.

Withdrawal from school

Students should report to the guidance office secretary as soon as they know they are moving. The student is to report to the guidance office on their last full day of school and pick up withdrawal forms. The forms are to be taken to each teacher during the school day and returned to the guidance office after his/her last period

class. Students should return all school owned books and articles to the appropriate persons. When the withdrawal forms are completed and finalized by the guidance office, each student will be given a copy for his/her new school. If a request is made in advance, the student's records may be copied for the parents to pick up or they may be mailed to the school where the student will be enrolling.

CAFETERIA PROCEDURES/CONDUCT

Keeping the cafeteria clean is a requirement of all students eating breakfast or lunch. Good manners are mandatory.

Cafeteria Procedures

1. Students will place all belongings in their locker before entering the cafeteria.
2. Students will go to the line of their choice and then sit at their assigned table immediately after receiving their lunch.
3. Students will sit for the remainder of the lunch period, except to return their tray and throw away their trash.
4. Students may use the restroom when they go up to return trays. Permission must be requested in order to use the restroom at any other time.
5. Assignments to tables will be for a quarter. New assignments will be at the beginning of each new quarter.
6. All adults in the cafeteria have authority to enforce expectations
7. Students will not touch another student's tray, food, or personal belongings.
8. Students will not throw anything in the cafeteria.
9. Students cannot use other student's account to purchase a meal.
10. Students will be dismissed to leave the cafeteria by table. Do not leave your assigned table until your table has been dismissed by a supervisor. Tables will not be dismissed if there is any food or trash on the table or on the floor surrounding the table.

REMEMBER – EVERYONE IS RESPONSIBLE FOR CLEAN UP

GCCS SAFETY PROTOCOLS

SEVERE WEATHER PROCEDURE/EMERGENCY DRILLS

Indiana schools are required to have Emergency Drills throughout the year. Fire Drills and Tornado Drills will be held on a regular basis and at least one evacuation drill will be held during the school year.

- Tornado drills require students to move to an assigned safe place in the building as quickly and quietly as possible. An announcement will state: “Attention students and staff at this time please move to your tornado shelter areas.”
- Fire Drills require an orderly, exit from the building to an assigned area for each class outside the building. An announcement will be made over the intercom alerting the students of a drill followed by the fire alarm heard throughout the building.
- Emergency evacuation: All staff and students will be advised to exit the building and move quickly to the assigned location. The notice to evacuate will be by announcement.
- Emergency lock-down drill: All students are to be in a classroom and the doors are to be locked from the inside. Students are to move away from the door and windows and go to the “hard corner” in the classroom. Teachers and students are advised to follow the “Avoid, Deny, Defend” protocols in the case of a real emergency.

GENERAL INFORMATION

ARRIVAL/RELEASE OF STUDENTS

Parents bringing students to school should drop them off in the back entrance no earlier than 8:10 a.m., but no later than 8:20 a.m. Cars should pull up to the marked drop off zone area to allow as many cars as possible to unload at once. Dismissal begins at 3:10p.m. Car riders will be picked along the back of the building. Parents/guardians should be ready to state the name of their student(s) and follow the line through the system. Busses will pick up students in the front of the building. Walkers will be released once both traffic patterns have cleared. All students should be picked up, or released for walking by 3:30p.m.

CELL PHONES – TELEPHONE USAGE

Students are allowed to bring cell phones to school, but must be kept them **turned off and put away**. Charlestown Middle is an “Away for the Day” school. You can find more information on this at <https://www.awayfortheday.org/>.

Cell phones are only to be used for after school activities and are not to be used between the hours of 8:25 a.m. and 3:10 p.m. Students needing to call home during the school day must do so in the main office during lunch or in the classroom with his/her teacher’s permission. Students failing to abide by this policy will result in school consequences. Earbuds/Headphones are to be put away unless requested by teachers.

3rd Offense: Cell phone is confiscated, a parent must pick up the phone and In School Suspension will be issued.

CHEWING GUM

Chewing gum is a privilege that is allowed. However, in order to keep the building looking nice and the furniture and carpets in good repair, it is important that students dispose of their gum properly. Failure to do so may result in the loss of this privilege. **Teachers have the right to ask students not to chew gum in their class.**

CLOSING SCHOOL DUE TO BAD WEATHER

In the event of inclement weather or mechanical breakdown, school may be closed or may start on a delayed

schedule. The same conditions may also necessitate early dismissal. School closing, delayed starting time or early dismissal will be announced over local television stations and through our School Messenger system. If no report is heard for Greater Clark Schools, it can be assumed that school is in session. Please do not call the school. Telephone lines need to be kept open for emergencies.

EDUCATIONAL FIELD TRIPS

School organizations or classes occasionally sponsor field trips. The tour sponsor will require written consent by the student's parents or guardians. Permission slips will be sent home with students a week or two prior to the field trip. These forms will indicate the location, date and possible cost of the field trip. No student is denied the right to attend a field trip due to financial hardship. The teachers and/or the principal handle these cases on an individual basis. Please notify the main office if you are unable to pay the field trip cost.

It is expected that reasonable care and precaution be taken to ensure the safety of all concerned on school trips. However, in the event of an accident, Greater Clark County Schools, Charlestown Middle School, nor any employees or volunteers may be held responsible or liable unless negligence is involved.

When students go on trips they represent Charlestown Middle School. Students are expected to dress appropriately. Students who exhibit severe chronic behavior problems may not be allowed to attend field trips.

EXTRA-CURRICULAR ACTIVITIES

Charlestown Middle School offers a wide variety of extra-curricular activities to help students develop skills and interests in non-academic as well as academic areas. HOMEWORK

Home study is a necessary part of each student's educational program. Each student must be expected to spend some time in addition to scheduled class instruction to achieve satisfactory work. Some assignments are long range in nature and require planned study time for their completion. Planned study time eliminates the necessity of spending too much time in completing an assignment the day before it is due. Students who consistently fail to complete homework assignments are less likely to be successful in school.

IMMUNIZATION REQUIREMENTS

Indiana law requires parents/guardians to furnish no later than the first day of school attendance, proof of the student's immunization status, either as a written document from the health care provider who administered the immunization or documentation provided from the state immunization data registry. The statement must show that the student has received these immunizations:

- 5 doses of DTP (diphtheria, tetanus and pertussis)
- 1 dose Tdap
- 4 doses of polio vaccine
- 2 doses of MMR (measles, mumps and rubella)
- 2 doses of Hepatitis A vaccine
- 3 doses of Hepatitis B vaccine
- 2 doses of Varicella vaccine (Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 12th grade. Parent report of disease history is not acceptable).
- 1-2 doses Meningococcal (MCV4) (Individuals who receive dose 1 on or after the 16th birthday only need 1 dose of MCV4)

In addition, vision screening is done in the 8th grade.

INSURANCE

Student health insurance is available upon request. Applications are available in the guidance office.

INTERNET

Any student planning to utilize internet services in the Corporation must have a Telecommunications Network Usage Agreement form signed by the parent and on file in the school office. This form will be available at

registration. Students who fail to comply with this policy will have their internet privileges revoked.

LOCKERS

All lockers are assigned through the school office. Students should follow these rules of locker care and safety:

1. Never leave money or valuables in the locker.
2. Do not give lock combinations to other students.
3. Keep lockers neat and in order.
4. Report any malfunction to the office.
5. Do not place decals or pictures on the locker.
6. Do not use or share anyone else's locker.
7. The school will not be responsible for items taken from lockers.
8. Students are responsible for keeping the outside and inside of the locker free from writing, decals, or marks of any kind.

If problems with lockers occur, students should report to class on time and request permission to seek help in the main office. Failure to follow the rules for locker use may result in the loss of locker privileges.

PE LOCKERS

All students will be required to have their own lock for PE class. Locks and PE tee shirts are required and may be purchased at the bookstore. Students must remove all personal belongings, including their locks, from their PE locker daily. Charlestown Middle School will not be held responsible for lost or stolen items.

LOST AND FOUND

Student clothing/bookbags found unclaimed are gathered and stored in a location near the cafeteria. Students may ask an adult for permission to view these items. All other valuables are kept in the main office.

LIBRARY AND MEDIA CENTER

The Charlestown Middle School Media Center contains a wide range of materials to meet the diversity of student abilities and learning styles. Materials are selected to guide students in the formation of realistic and balanced judgments in their daily lives. Some materials provide opposing sides of issues so that young citizens can make intelligent judgment and practice critical analysis of all media. Some books may contain language or attitudes that some parents may find controversial or objectionable. Therefore, parents are encouraged to review their child's selections and to enter into meaningful conversations and provide guidance when discussing those materials.

MEDICATION

All medication must be brought to the (front/health) office and taken there. All medication, which includes over-the-counter, cough drops, and prescription medications, must have a written physician's order. "Administration of Medication" for #5114.2A must be signed by the parent/guardian. Students with a chronic disease or medical condition who must possess and self-administer medications during school hours must submit each school year a completed "Self-Administration of Medication" form #5141.2B.

NATIONAL JUNIOR HONOR SOCIETY

Membership in the National Junior Honor Society is by invitation only and is based on these five qualities: scholarship, service, leadership, citizenship, and character. To be eligible for consideration, a student must be in the seventh or eighth grade, be enrolled at the beginning of the school year and have completed at least one full semester at Charlestown Middle School. Sixth graders are not eligible. A seventh or eighth grader must have a 3.6 (grades are not rounded) overall cumulative semester grade point average at the end of the 1st semester. If a student feels that he/she is eligible, an NJHS membership application should be completed and turned in no later than the end of the 3rd nine-week grading period. Once eligible scholastically, a faculty council then evaluates each student based on the criteria described in the National NJHS Handbook - service, leadership, citizenship, and character. Students selected are notified during a tapping ceremony which is held during a school assembly. Candidates are inducted to membership during an evening ceremony.

POLICY OF NONDISCRIMINATION

It is the policy of Greater Clark County Schools to maintain and operate a learning environment free from discrimination and harassment on the basis of sex, (including transgender status, sexual orientation and/or gender identity), age, race, color, disability, family status, national origin, or religion. No person is excluded from participation in, denied the benefits of, or otherwise subjected to unlawful discrimination on such basis under any educational or student activity.

POWERSCHOOL PARENT PORTAL

PowerSchool is the district's web-based student management system where student information is collected and stored.

The Parent Portal increases parent engagement and connects the home to the classroom with easy visibility to grades, assignments, and progress. From the parent dashboard, parents have access to class schedules, assignments, grades, attendance and communication tools to enhance the education experience. Parents can also choose to have notifications emailed to them at regular intervals. All student information is delivered securely and can only be viewed by creating a parent account using the Access ID and Access Password supplied by the school.

Please note that at the beginning of each term, you may see zeros or wild shifts in the class average of your child. When there are only one or two assignments in the gradebook, a low or high score can make a dramatic change in the overall grade average. The gradebook instantly recalculates the overall grade as every assignment is entered.

If you need assistance in setting up your parent account or in accessing your current account, please contact the school office.

You and your son/daughter may track academic progress from any device that has internet access. Parents and students should utilize PowerSchool to monitor grades-in-progress throughout each grading period. If you have any questions regarding the use of PowerSchool, please contact the school office.

RESTROOMS

Students may use the restrooms before and after school, between class periods, and at the beginning or end of the lunch period. It is the responsibility of every student to keep them clean. Loitering, writing on the walls, or damaging the facilities in any way will not be tolerated. If you are feeling ill, **report to class first** and get permission to see the nurse. **Do not remain in the restroom.**

SEARCH AND SEIZURES

In general, any staff member can confiscate items that are a violation of school rules, can disrupt the educational process, or may be a hazard to persons in the building. Items such as bookbags or coats and jackets may be searched when there is reason to believe they contain contraband. The following rules clarify other searches:

1. Lockers are the property of the School Corporation and may be searched by the principal or his designee when necessary.
2. Police and police dogs may be used to help administrators search lockers.
3. Luggage, bags, etc. that students take on overnight fieldtrips are subject to search.
4. Electronic surveillance may be used in buildings and buses to ensure student safety.

SECURITY SYSTEMS/SURVEILLANCE

Charlestown Middle School is equipped with an exterior and interior security/surveillance system. An alarm system is in place within the building during hours when Greater Clark County School employees are not present.

STUDENT COUNCIL

The Student Council is the students' way of governing themselves. Students should express ideas or concerns to their representative(s). Representatives should act in a responsible manner and represent the school to the best of their ability. Representatives will be selected from each grade level advisory. Student Council members not only respond to student ideas and concerns, but work at various school functions and help in community activities.

TEXTBOOKS

Students are assigned textbooks by their classroom teachers at the beginning of each school year. The condition of each textbook is determined when issued and students are expected to return them in good condition. Students will be charged for damaged or lost books. If a book is misplaced during the school year, a new book must be purchased before a new one is issued.

VISITORS

All visitors should report to the main office. All visitors to our school will be asked to show driver's license. For protection of our students a security system is in place that identifies individuals who are on a list of offenders not allowed to have contact with our student body. It is called the Raptor System. All visitors must wear a visitor's badge. Students who are from other schools will not be allowed to visit. Children and babies should not be brought to school at any time.

All doors into the school will be locked and secured as soon as first period begins. Any person who enters the building after that time will be REQUIRED to enter at the main entrance outside of the office. Students who intentionally "block open" a door to allow other students to enter the building are risking the security of River Valley Middle School and will be subject to school discipline including suspension or expulsion.
